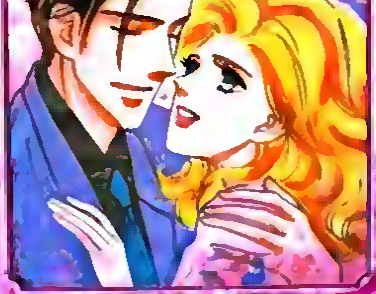
HARLEQUIN

The Wrong Mirror



IT SEEMED AYLWARD IS STERILE.
BECAUSE I COULDN'T HAVE CHILDREN?
HOW DO YOU KNOW ABOUT THAT?
MY LAWYER MET HIM AND ASKED MANY THINGS.
ALSO THE REASON WHY YOU TWO SEPARATED.
I FINALLY,
UNDERSTOOD WHY KRISTY DIDN'T TELL ME ABOUT DAVID.

From the begining,
Kristy was bearing
David for you
For your happiness...
KRISTY ONLY
LOVED YOU

"I think I will be able to have children now!"
Let's not talk about it!
Anyway, I have good news."
"Why are you saying that? Didn't you also agree to adopt him?"
"What do you mean?"
I will need to have a surgery as well"
"There is a research about a new technology in concentrating male's sperm.
"But I think it's a good thing to try!"
Eh?
"I want to try and start all over again with you!"

Barry has changed
When we were newly-weds he was kind and full of confidence
I was lost back then and I didn't treat you right."
"I already apologised to you on the telephone, but I don't think its good enough.
He openly cheated on me so many times
But after he found out that he was impotent he became a completely different person
I thought he would come to his senses sooner or later
But I stood by him
"Karen"

"The two of us you said... What about David?"
"You are the only woman I want to marry"
"Let's start over, just the two of us"
huh
"David again?
"You always talk about David!"
"You can't win against Chrisolm"
"I have given their lawyer a detailed written statement."
Written statement? He went that far?

It seems that I can't escape from his grip anymore
You can't get out of my grasp anymore!
"Marry me!"
"I know you don't want to be separated from David"

"I will buy you more beautiful clothes"
"You'll come back to me, right?"
"You don't need to go back to your typing job with low salary"
If we get back together, it would also be good for you.
"With me?"
I'm sorry, I will getting married soon"
"With Hal Chissolm"
WHAAAATTTT?!

Hal bought a luxurious house with an ocean view
The week after we had our civil ceremony
After I made that decision, everything went by so quickly
This car is my wedding gift to you.
you can use it to go to work and to pick up David from the kindergarten
VROOM

I have arranged for your stuff to be put in your room
These are the Hankeys, they are in charge of taking care of the house.
What a big house.

Owen Chissolm's house is also so big
Karen,
I'm surprised that you suddenly married Hal,
Apparently the Chissolm's financial wealth is more than I can imagine
Mr Chissolm looked very disappointed with me
I don't understand what you're trying to do.
This looks very suspicious
Barry was also very cynical towards me
Well then, enjoy your happy life, Mrs Chissolm!
Mummy! Look!
My room is amazing!
Both of them must have thought that I married Hal for his money

Look!
LotS of Lego pieces!
I can build an outer space station!
This is your room.

There are a lot of clothes prepared in your size in the closet.
Wear whatever you like.
He has thought everything through.
Wow, I can see the ocean!

What are you doing?!
Do you like it?"
We're already married, aren't we?
Ah...
David will see us!
Don't worry, Mrs Hanley is taking care of him.

UGH
My role here is just as David's mother, isn't it?

The guy who once embraced Kristy is also embracing me
David also wants to have a sibling, right?
What I want is a wife
NO!

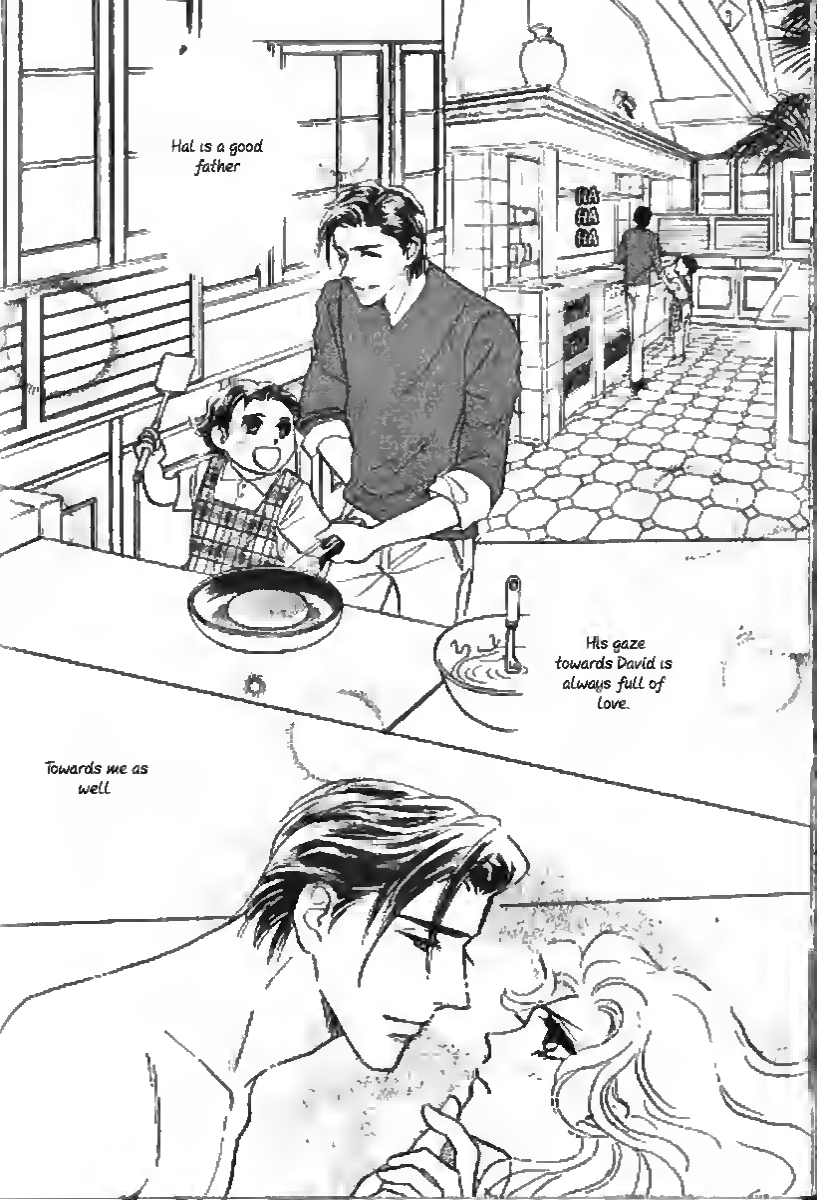
I will show you that I can get you and David!
It's revenge towards you sisters!
His kiss and his touch show no mercy
I know that this isn't love.

Through me Hal is embracing Kristy
Thinking about it makes my heart ache

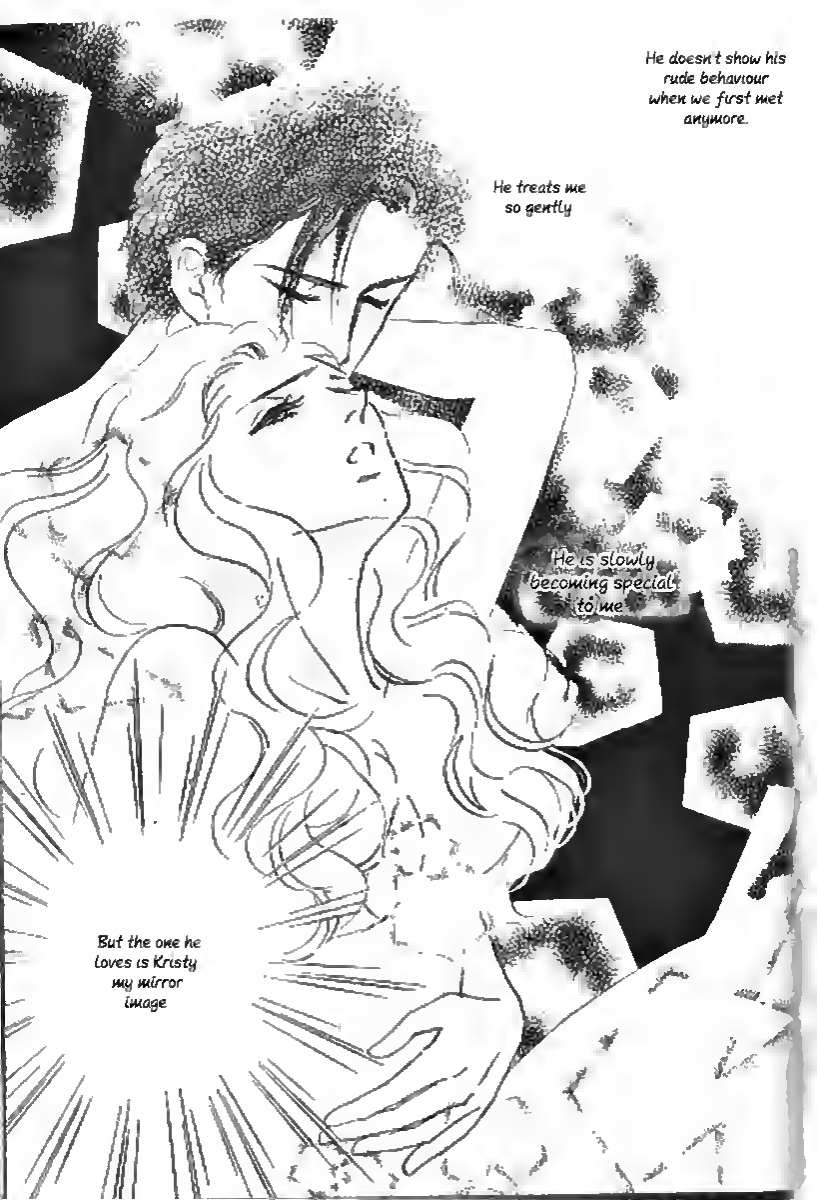
Shame-
lessly
HAH
I'm in Hal's
embrace
God!
DEG
His eyes are
so gentle.
Karen..

Now will you...
Let me go?
SRAK
NO.
Karen,
I'm not satisfied
Not until I get you pregnant.

How frightening
Are you hurt?
Of course I am. The way you spoke to me...
...After that passionate love making...

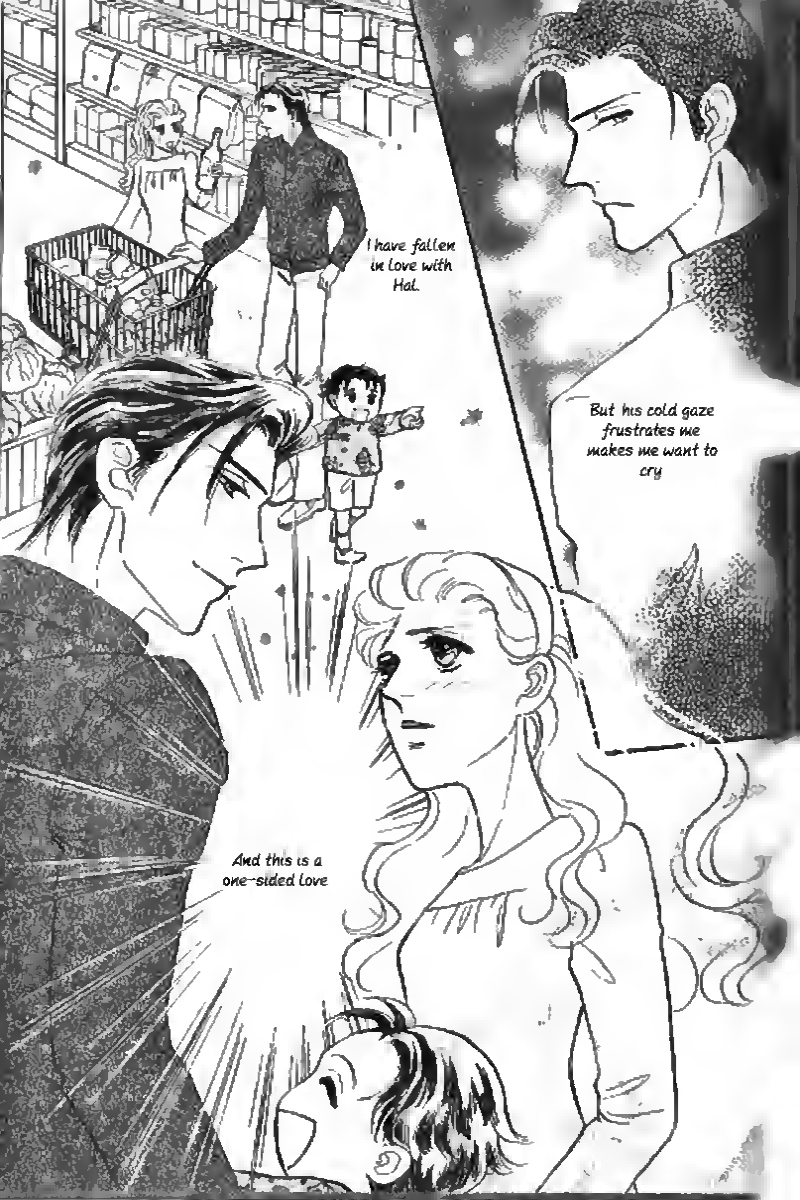


Hal is a good father
HA HA HA
His gaze towards David is always full of love.
Towards me as well



He doesn't show his rude behaviour when we first met anymore.
He treats me so gently
He is slowly becoming special to me
But the one he loves is Kristy my mirror image

Everyday we seem so happy together
But my heart always screams in pain
It shouldn't be like this
I feel like I'm in heaven with Hal's gentle words



I have fallen in love with Hal.
But his cold gaze frustrates me makes me want to cry
And this is a one-sided love
